WE MAKE YOUR EVENT THE BEST!

A Photo Booth at your next Wedding, Bar or Bat Mitzvah, Sweet 16 Party, Reunion, Corporate Event, or any other celebration, would contest to be one of the most exciting attractions there. All of your guests will be amazed with the incredible picture quality and quick development of the photos. The best part is that the photo booth is great for all ages! Your parents and grandparents will marvel at how this is the same style booth they took pictures together in at the boardwalk in the Good Old Days! Kids will love that they can grab their friends and take as many pictures as they want for free! FREE, that's right, when you use Creative Snapshots Photo Booth services you receive unlimited photos - at no additional cost!

OUR PEOPLE

Our Team of Dedicated Professionals are all full-time employees of Creative snapshots Photo Booth, not part-timers nor subcontractors. We dress the way you would expect, and are entertaining and interactive with your guests. One of us helps your guests through the booth, the other helps them create a work of art for your masterpiece Memory Book. Yes, you get TWO attendants who know the equipment, and know how to keep you and your guests smiling.

OUR EQUIPMENT

There's bad equipment, good equipment, and then there's the best. We use the best -- Our Photo Booths are custom-made in order to deliver you quality services! We get super high-resolution pictures that print DOUBLE copies, sliced and ready in less than 15 seconds. There is no faster photo booth with better quality. We know, we've checked! And our booths look great in ANY location. It is a small compact, versatile photo booth. The compact version of this photo booth allows us to deliver a booth that has a complicated delivery access. The versatility and easy setup allows us greatly reduce the rental cost. Another major advantage of the OPEN AIR PHOTOBOTH is the openness of this setup that allows greater customer interaction and groups of 10-20 can have their images captured and printed instantly within 15 seconds. The most common setup of the photo booth incorporates a bench and curtain backdrop.

The photo booth features:

- Superior output, high quality digital images are printed in less than 15 seconds
- Unlimited output format: horizontal, vertical and photo strip orientation
- Print size available 2x6 on a glossy or matte photo paper
- Customizable text, graphics and color backgrounds
- Simple user interface ensuring in high turnaround of the guests
- All images are stored and will be downloaded after the event
- This is the fastest photo booth, capable up to 60+ images per hour
- Dimensions: 48"W x 80"H
- Power: 120v AC, 3amps

Our booth is Handicap Accessible.

Photo booth photographs also make wonderful gifts. Before your event starts, you can take photos of the happy newlyweds, or the beautiful birthday girl, frame them (we can provide Acrylic Frames), and then give them away as gifts or souvenirs.

We also can make a Memory Book throughout the party or event, with pictures of all the guests. Since the booth prints out two photo strips, we artfully add one to your Memory Book. Then, each guest can write a heart-felt message next to their photos in the book, and still can take their photo strip copy home with them!
